This is to certify that upon instructions received from Messrs. LLC "TOP GRAIN" our inspectors have performed pre-shipment inspection of a parcel declared as FEED BARLEY OF RUSSIAN ORIGIN IN BULK stored in the warehouse at STEP' port, AZOV port on 20.08.2025. Increment samples were taken as per our Principal's instructions from accessible points only and therefore, the samples drawn cannot be considered as representative of the whole consignment of the cargo. All the increment samples so obtained were then thoroughly mixed and indicative sample was submitted for analysis to Federal Budget Institution State Regional Centre of Standardization, Metrology and Testing, Rostov-on-Don. The laboratory reported the following results (Test Report No. Tet report No. 16696-25/1 dated 02.09.2025):
